A critical review, by The Times Motoring Correspondent, of some peculiar model or make of car appears in The Times every Tuesday. These reviews are republished as an annual publication, invaluable to those about to buy a new car, entitled "Cars of To-day" — Price 2/-. Every owner-driver should read "The Art of Driving" by The Times Motoring Correspondent, which explains the finer points of driving in relation to car maintenance. — Price 1/3.
