THESE MAPS ARE ENTIRELY NEW PRODUCTIONS

Easily readable, up to date and unchallengeably superior to any maps published, irrespective of price.

In addition to the complete street system they include transit lines, house numbers, parks, postal zone boundaries, postal zone numbers, airports, a vast master street index which includes the postal zone number of every street, plus considerable data not found on ordinary maps.

The sizes vary from 35"x22½" to 45"x35" according to the area covered by the city.

If you cannot obtain any of the above publications from your dealer, order direct (enclosing 10 cents extra for handling and mailing) from
